FIT YOUR SCHEDULE

America Reads
@ Hays Elementary
@ Muhlenberg Elementary
@ Roosevelt Elementary

Humane Society - animal care
All days of the week possible!

Programs open to ALL students!

Transportation provided and/or organized for all opportunities listed.

Visit the OCE in **Fahy Commons** - it's a great place to be!

English Language Learning

Students facilitate and create groups to reinforce conversational English skills.

Berg Votes

Register students to vote, engage in the electoral process, host issue-based forums and more!

Best Buddies

Best Buddies is an international organization that pairs people with and without intellectual disabilities in one-on-one friendships.

Community Bike Works

Connect with kids and learn from one another.. Contrary to what the name might imply, you don't need to know about bicycles to volunteer at Bike Works!

America Reads

As part of a national program aimed at improving reading amongst kindergarten through 3rd grade, Muhlenberg students collaborate with teachers to reinforce literacy lessons.

Bow Tie Club (men of color preferred)

Pairs Muhlenberg students who identify as men with boys at Sheridan Elementary School in a mentoring program intended to build relationships to support success.

Super Girls (women preferred)

Engage with 4th and 5th grade girls and non-binary students with a focus on self-esteem, resilience,, and representation.

Study Buddies

Travel to the Allentown Public Library and assist kids of all ages with homework help.

STEM Outreach

Connect with elementary and middle school kids to spark their excitement about science, technology,

engineering and mathematics as possible future endeavors. Students work with kids in the schools on a bi-weekly basis and organize an on-campus STEM day with faculty at Muhlenberg!

Art Day

Art Day takes place every week at Sheridan Elementary School. Muhlenberg volunteers work with elementary students to create a variety of different art pieces focusing on different techniques and artists from around the globe each visit.

AVID Mentoring & Homework help

Volunteers support 7th and 8th grade students in considering future educational goals and experiences while getting some homework done too.

Fun & Games @ Phoebe

Muhlenberg students meet up with residents at the Phoebe Home. We play games and complete puzzles together while getting to know one another. Students can also be paired with the senior citizen residents to build deeper relationships over time.

Mega Mules

Volunteers connect with kids through this program focused on the importance of physical fitness and nutrition.

Ecumenical Food Bank

Volunteers support food distribution at the Ecumenical Food Bank to directly impact food insecurity in our local communities.

Camelot for Children

Social Butterflies collaborates with Camelot to enhance social emotional learning and engagement for children with special needs.

The Humane Society of LV

Student volunteers connect with cats and dogs who are looking for new homes. Cleaning, walking animals and playing create a beneficial experience for all.

ReStore

The ReStore is a re-use center that sells donated construction materials and home goods. All proceeds support Habitat for Humanity. Volunteers assist with donation preparation and store organization.

El Sistema

El Sistema teaches young students how to play string instruments, the power of practice and provides homework help after school. Volunteers support kids with all aspects of the after school program. No string instrument experience is required!
