### Set up your account on your mobile device

#### For Android devices:

To begin using G Suite on your Android device, complete the following steps:

1. Go to your device's account settings.
2. Add your G Suite account and follow the instructions from there. After you finish, you should see a message that says "Account sign-in successful."
3. Choose which products you want to synchronize to your device.

Now you can use G Suite from your Android device. If you need more help, see [Set up your Android for G Suite](#).

#### For iOS devices:

To begin using G Suite on your iOS device, you set up Google Sync by performing the following steps:

1. Go to your device's account settings.
2. Tap **Mail, Contacts, Calendars**.
3. Tap **Add Account**.
4. Tap **Google**.
5. Add your G Suite account and follow the instructions from there.
6. Choose which products you want to synchronize to your device.

Now you can use G Suite from your iOS device. If you need more help, see [Sync Calendar, Gmail, and other G Suite services with your iPhone](#).

---

#### Please note:

- When you are prompted to login to your newly added Gmail account, you will be redirected to the application portal screen at [login.muhlenberg.edu](http://login.muhlenberg.edu).
- Remember to remove your GroupWise account from your mobile device(s).
