

## Appendix D. Continuing Review Form

The IRB is required by the federal government to obtain the following information in order to conduct a continuing review of a research project being conducted at Muhlenberg College. Please submit this yearly progress report to the IRB Chairperson or the appropriate Departmental Coordinator.

\*\*\*\*\*

IRB Proposal #:

Primary Researcher:

Today's Date:

Date of Project Approval:

Project Title:

\*\*\*\*\*

1. What is the total number of subjects enrolled since the study began?
2. Have there been any subjects who withdrew from the study since the last IRB progress report? If so, please provide a brief summary of explanation.
3. Please provide a brief summary of any unanticipated problems or any adverse events, including complaints about the research project, which might have occurred since the last report.
4. Have there been any adjustments or revisions since the last IRB approval (if there are major revisions, researchers should use Appendix B for expedited review)?
5. Is there any recent literature that may now be relevant to the research project?

6. Is there any other relevant information, particularly about risks associated with the research, which would be important for the IRB to be aware?

7. What are the preliminary findings or evaluations of the study to date?
