Safety Committee Meeting
September 27, 2019
LSC 239
9:00 a.m.

Attending Members:

Beth Buechler, Eric Covell, Tracy Velekei, Jessica Bien Covell, Brenda Lakis, Erin Murray, Merritt Jacob, Diane Dologite, Joseph Spirko, Stephanie Flores, Stephen Nemes, Mike Becker, Katherine Kressler, Adam Ortwein.

Members Absent:

Jason Feiertag, Brian Fidati, Will Rantz, Brett Fulton, Brynmarie Dorsey,

Minutes:

Tracy Velekei proposed a motion to approve the minutes. Mike Becker seconded, and the motion was approved by the Committee.

Accident and Injury Report:

There were two new reports.

Building and Grounds inspections:

Joe Spirko inspected the sidewalks across campus. Many areas need attention. Mike Becker and Brett Fulton will assess and address these areas.

Mr. Spirko has repaired the loose pavers in front of the Trexler Library. It was noted that the pavers in front of the New Science Building still need attention.

Next up for inspection is the Rehearsal House, Hillside House and Trexler Library.

Rooftop Safety:

Adam Ortwein and Eric Covell are waiting for a response from Gravitec Systems.

Mike Becker reported that the Rehearsal House roof locks have been changed.

Policy Review:

The Safety Committee continued reviewing of section 15 of the Policy Review.

Around the Horn:

Steve Nemes reported that the AED's on campus have all been updated and all materials (batteries and pads), installed.

Campus Safety will also compile a list of all the AED's on campus.

Jason Feiertag will check with other academic institutions to see where they have AED's. The possibility being that Muhlenberg College might add an AED to each academic building.

Next Meeting:

October 25, 2019

9:00 a.m., LSC 239

Respectfully Submitted,

Beth Buechler
