Minutes:

Erin Murray proposed a motion to approve the minutes from both the January and February meetings. Both were approved by the Committee.

Training:

Chaz Wise, is willing to provide additional training either on campus or virtually. Erin will send out the list of available training topics and has asked the Committee to send her their thoughts.

Accidents & Injuries:

Erin Murray reported one new injury for February. Two injuries reported for the quarter.

Building and Grounds Inspections:

Brett Fulton reported that a contractor was called in for pricing on repairs to uneven black top from February injury.

There were no specific building inspections this month.

The Life Sports Center and all campus walkway inspections will be completed before the April meeting.

The tiles outside the Rehearsal House will be inspected in the next several days.

Sodexo:

Kent Dyer asked Erin Murray if Sodexo employee injuries are reported to the Committee.

Brett Fulton offered that we have been informed twice of injuries in the past.

Erin will reach out to John Pasquarello and ask that they report to us.

AED Units:

The Committee recommended going forward with new AED locations in the Library and Ettinger. Jason moved to Kent Dyer for approval on additional units and supplies that are expired.

Miscellaneous:

Brett Fulton reported the following:

There is a scissor lift on campus

Door handle issues are complete

Fire extinguishers in the President's office have been replaced

The Trumbower elevator is currently down

A golf cart policy is in progress.

Brian Fidati reported on the Alertus System. Beacon/wall devices will be installed to alert extreme emergency situations in priority locations (LSC). They will light up and display text.

Katherine inquired about the eyewash/shower inspections in the science building. Joe Spirko offered to check with Mike Becker but believes inspections are on-going.

Jess Bien Covell inquired about the emergency phones that serve as PA systems. If they are to be used, she requested additional training.
